

## Welcome to the Roman Rambler web site!

Roman Rambler is a winning grandson of the phenomenal stallion **BLUSHING GROOM (Fr)**, clearly one of the world's great progenitors. There is a stunning physical resemblance between the two, **sight sells**.

Roman Rambler is from the same top sire line as Mt. Livermore, Rahy, Cherokee Run, Peaks and Valleys, Runaway Groom, champion sprinter 2002 Breeders Cup Sprint (G1) winner Orientate, and top handicap horse, Congaree.

An **INTRODUCTORY STUD FEE OF \$950** is being offered for the 2006 breeding season.

See "Stud Fees" for contract details.

BLUSHING GROOM (FR)

The ability to win in a fast time at a mile has become a remarkable predictor of future sire success. Roman Rambler has done a 1:35.50 mile on the turf at Gulfstream. Showing his

versatility, he has thrown a 92 speed rating at 5 1/2 furlongs on the turf at Hialeah and has won on the dirt at a mile at Calder. He has earned checks on dirt that was fast, good or sloppy and on turf that was firm or good. Roman Rambler was one of those rare thoroughbreds who raced without Lasix.

Roman Rambler will be standing in Ocala, FL.
